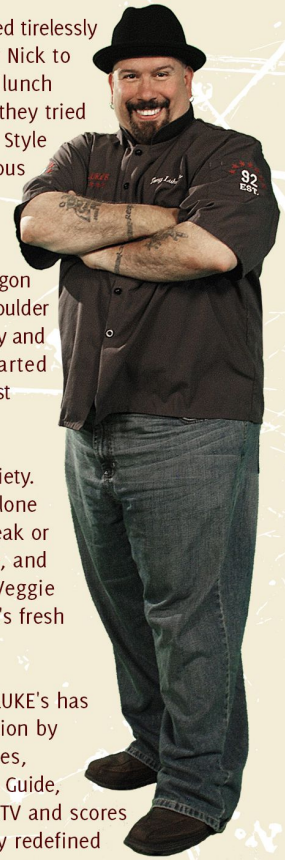
TONY LUKE'S

★ The Real Taste of South Philly ★



In the early 1990's Tony Luke Jr. worked tirelessly with his father Tony Sr. and brother Nick to build the Tony Luke's legend. From lunch trucks to full Italian meal take-out, they tried it all until they hit on the Old Philly Style Sandwich formula that took enormous culinary leaps beyond the famous Philly Cheesesteak.

After literally building the original Oregon Avenue steak shop brick by brick, shoulder to shoulder Tony Sr. and his sons Tony and Nicky opened in 1992. The buzz started almost immediately. This was not just another cheesesteak joint.

This sandwich menu was rich in variety. Italian Roast Pork with Sharp Provolone & Broccoli Rabe, Chicken CheeseSteak or Cutlets w/ Spinach or Broccoli Rabe, and the now legendary Uncle Mike's Veggie Sandwich on a signature TONY LUKE's fresh home baked roll.

Through nearly two decades TONY LUKE's has been hailed for quality and innovation by Gourmet Magazine, New York Times, Washington Post, GQ Magazine, Zagat Guide, Food Network , NBC, FOX, CBS, ABC TV and scores of other media. TONY LUKE's literally redefined the Philly Sandwich experience.

In August 2010 Tim Zagat Founder and Publisher of the internationally renowned ZAGAT Dining Guide, personally came to Philadelphia on a TV and media tour to declare TONY LUKE's the best purveyor of cheesesteaks and Philly sandwiches in the world!
